

WORKWEAR

INTRODUCES FADE RESISTANT UNIFORM FABRICS

Dear Dealers,

Welcome to the family of the largest manufacturers of uniform fabrics. Here we come again with a highly innovative catalogue.

“ WORK WEAR”

Valji Workwear is designed primarily to keep workers safe in a wide variety of tough conditions. Workers need materials that will keep them comfortable in high heat, outdoor elements, and around hazardous materials or chemicals. We provide a wide range of different fabric structures suitable for various environments. We can make provisions for special characteristics such as **Fire Retardant, Water Repellent, Anti Bacterial** and **Anti Static** upon request. Providing all your staff with high quality personal protective clothing from Valji will help you reinforce a positive culture surrounding safety in your workplace. Increase work productivity with Valji Uniforms!

We look forward to serve you with what you desire. We promise your needs and desires shall be woven here with utmost love and precision.

From the desk of chairman
Balchand Kothari
